## **Chapter One: The Girl Knows Magic**

The Dark Man follows a girl.

They are in the good part of the city.

He sees her freeze time.

As the people stand still like statues,  
she steals from them.

The Dark Man is not frozen.

He knows magic too.

The girl turns and she sees the Dark Man.

It seems as if lights flash before his eyes.

Then he finds himself in a stylish apartment.

## Chapter Two: Strong Powers

The girl stands before him.
