GRIND

Dee Phillips

I didn't want to move to this town.
There's nowhere to skate here.
I miss my friends.
I hate it here.

GRIND

ONE MOMENT CAN CHANGE YOUR LIFE FOREVER

My elbow hurts.
My knees hurt.
It's Saturday afternoon, and
I'm lying outside the library.

**My life
couldn't get any
worse!**

I saw the handrail, and I couldn't resist it.
I thought I could do it.
A nose grind down the handrail.

**But I was
wrong!**

And now I'm lying outside the library.
My new jeans are ripped.

**My deck is stuck
in a tree.**

I hate this town.
I moved here three weeks ago.
I've been trying to find a place to skate.
But there are NO SKATING signs
everywhere.
If I get into trouble, Mom will go crazy!

**NO
SKATING
HERE**
